## HUMAN CONNECTIONS

Without human beings our business would not operate. So it is important that we are always focused on the human connection. We treat people the same way we would like to be treated ourselves. We believe in honesty and openness so that we are transparent in all that we do. So whether we are proactively solving our clients' problems or advising our candidate on the next step of their career journey. We take every step to create ongoing relationships and not simple transactions.

## SUPERIOR SOURCING STRATEGIES

Over 97% of our business is obtained by personal referrals and repeat clients, that we build a long standing relationship with and deliver a second to none service. We rely less on job boards and more on candidate networks, referrals and building a social connection. Many of our candidates have grown into roles through our process and we receive a high number of recommendations and referrals.

## SKILLED WORKFORCE

Our team have over 50 years experience of working within the construction industry. We understand the importance of having skilled workers on-site. Our employment specialist team develop a one-to-one rapport with our candidates and ensure that every applicant receives a timely response.

## RAPID RESPONSE

In our industry we understand that at times there may be a need for candidates quickly and efficiently. Working alongside our client's from the beginning and understanding a clients potential needs, enables us to be proactive when a candidate is required. Our offices across the UK continuously build and interview potential candidates. We always ensure our candidates are have the relevant training and ready to complete the required positions.

Everyone at AMB Technical has come from a construction or engineering background. With over 50 years on-site experience, giving our team the technical know how and true understand of the type of candidate you need to help complete projects. Transparency is key when it comes to finding top talent, our honest approach means clients turn to us to fill roles time and time again.

**But don't just take our word for it...**

**Chris Hull** Land Director for Persimmon Homes

As a business we have a acute need for the additional high quality site managers to meet the demands of our growing regional office. We went to Martyn and his team in desperation having failed to fill a number of vacancies. Since his instruction Martyn and his team has provided a steady stream of high quality, award winning site managers and I am thankful to AMB for their help and assistance.

**Sean Rimmer** Candidate - Water Treatment Technician

I had the pleasure of dealing with Dan at AMB Technical. He kept me in the loop every step of the process, with professionalism & patience. This resulted in a successful outcome and a placement with a first class company in my area. Can't recommend highly enough and would recommend to friends & family.

**Paul Bailey** Contracts Manager - EBL Group

I have had the pleasure of working with Martyn and the AMB team for over a year now, and I have found that the experience of using a temporary staffing firm like AMB to be an excellent fit for our business. We work in the civils sector and have numerous requirements for our sites such as plant operators, to ground workers and labourers. The team at AMB have been able to fill these positions, within a 24hr notice period in some cases, and have always managed to find me high quality candidates.

**Phil Jewkes** Manager - Wrights Services

AMB came to our headquarters to get a full understanding of exactly what we were looking for in terms of roles and the type of candidates we felt would be the perfect fit for us, all at a satisfactory agreed pricing rate. With little hesitation they offered multiple high quality candidates for each position, in which we brought in to interview and offered employment as they matched up with what we wanted in terms of personality, professional experience and work ethic.

**Jake White** Electrical Technician

Spot on. From an employees point of view, I couldn't ask for any more from the team at AMB. Always ensuring that I was adequately prepared for any work environment that they had placed me into, providing a high standard of information. Also, going above and beyond to bring a solution to any problems that I may have.

**Chris Harrison** Contracts Manager - Bell Group

Outstanding! AMB have completely transformed our recruitment procedures. Their response time is great and i'm confident that i'm getting the very best candidates for my vacancies. You can contact them 24/7 which is a massive plus when you're constantly working at night like I do. Thank you AMB for making my life that little bit easier.

## WHAT YOU GET

### **Candidates, not applicants.**

We only send you worthy candidates so you don't have to filter through the many irrelevant applicants.

### **Access to labour networks.**

We are able to provide candidates that are tried and tested across the UK that are looking for temporary and permanent opportunities.

### **Expert industry knowledge.**

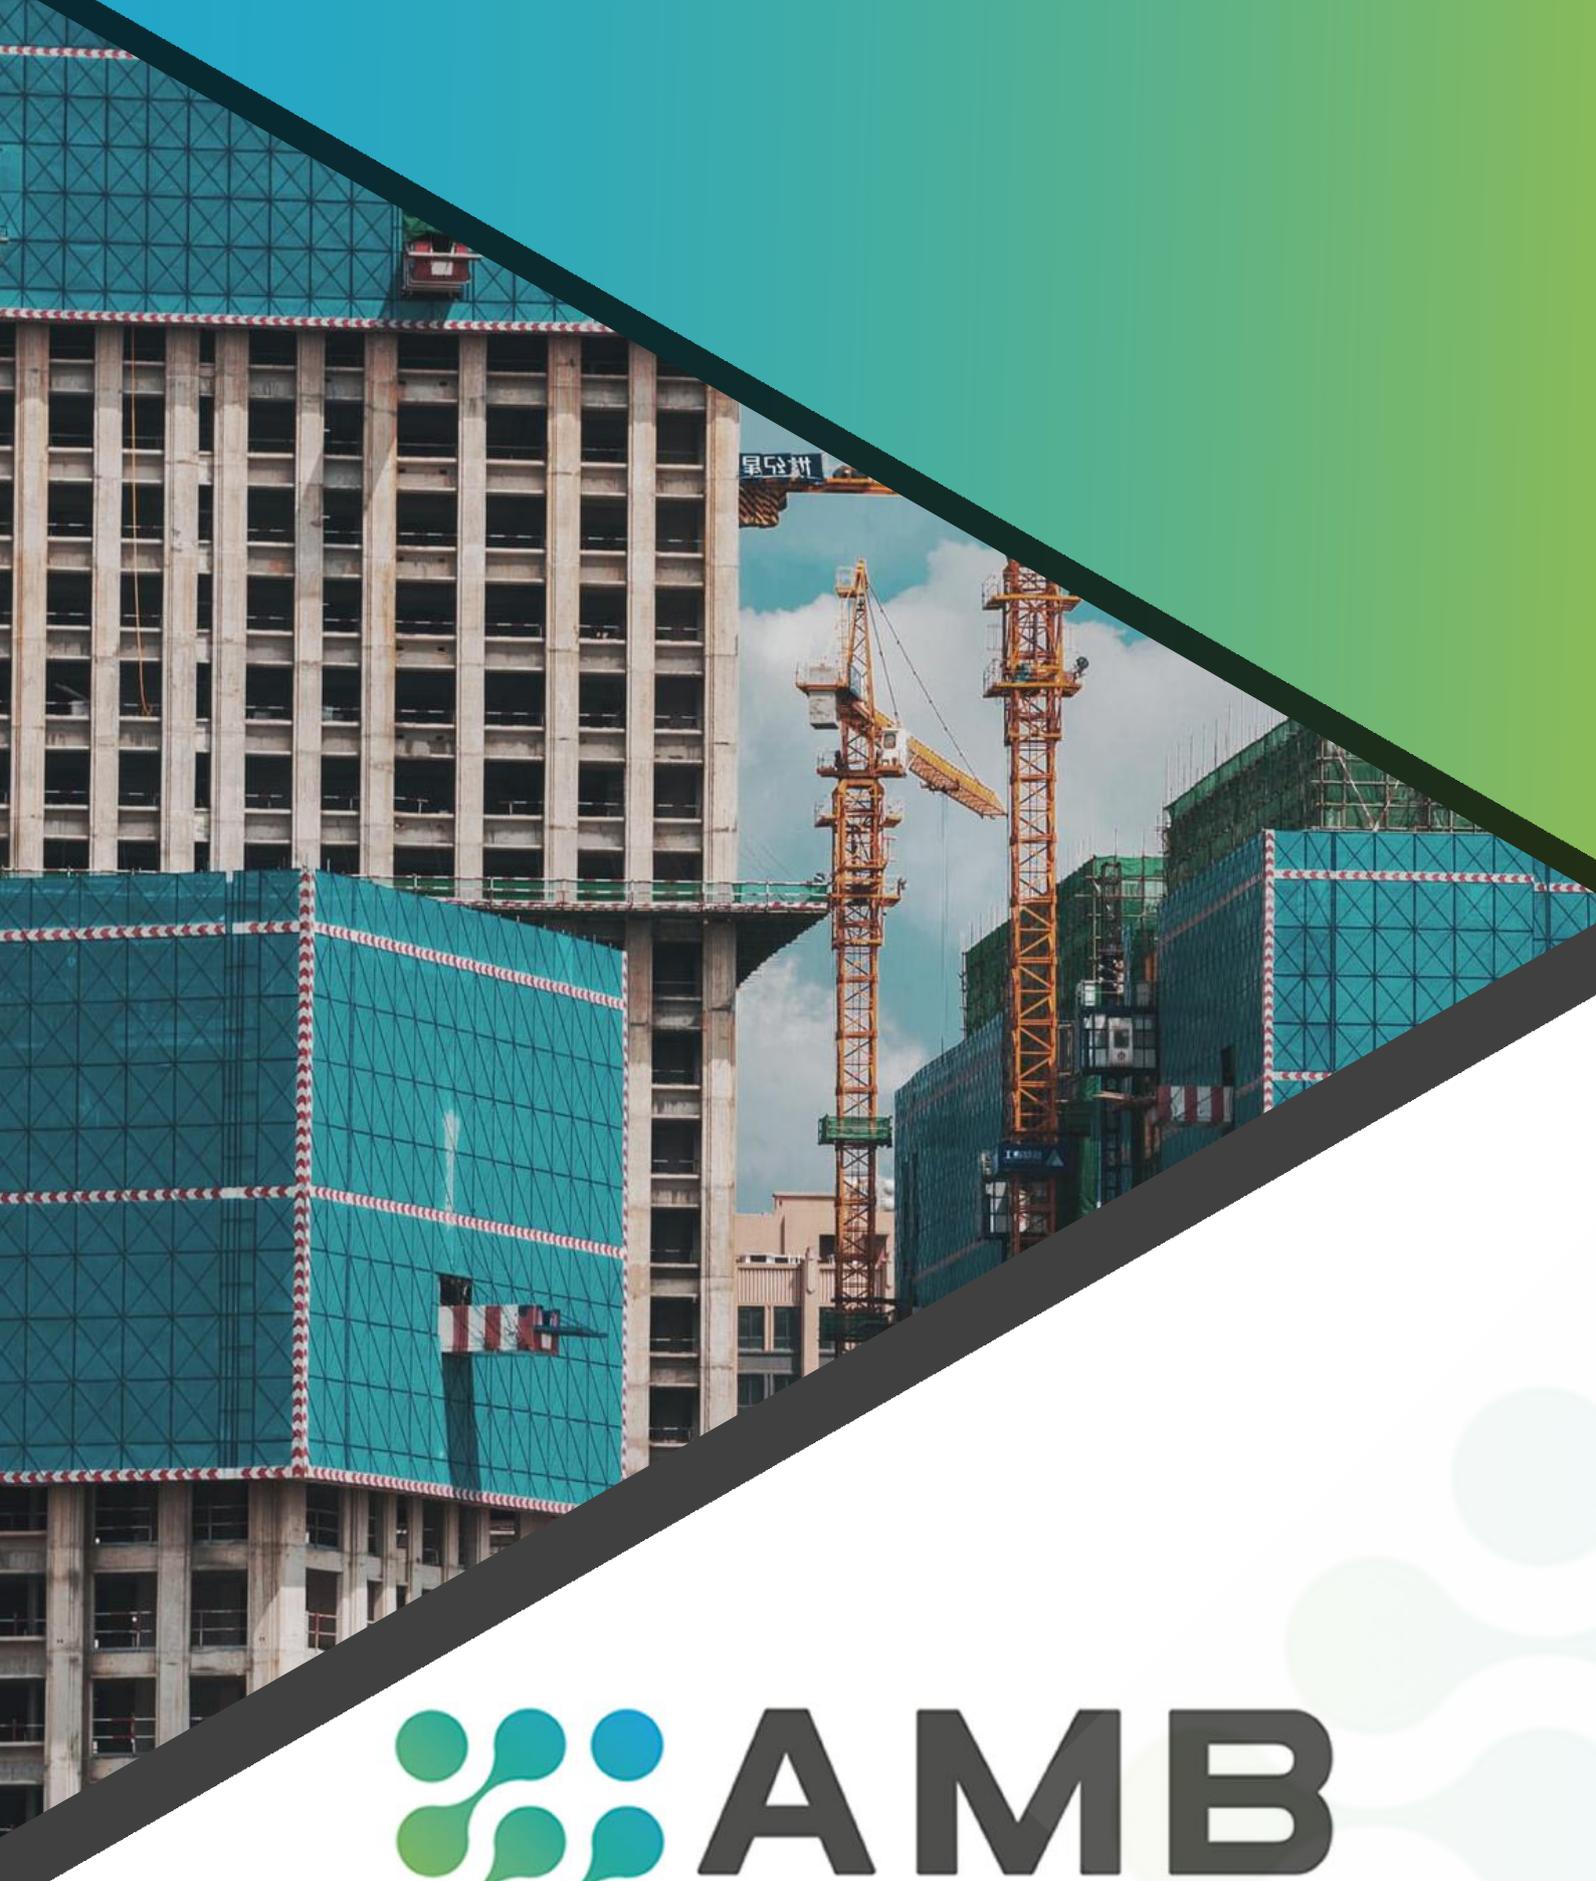

The full benefits of our combined experience on-site and employment expertise. Delivering the right candidates, hiring advice and wage/salary negotiations, at the best price.

### **Less risk.**

We offer a rebate structure or free replacement within three months on permanent position. Temporary labour only needs to be used for busy periods, freeing up cash flow for quieter times.

### **Time!**

Finding the right workforce takes time, a lot of it! Allowing us to do the leg work to provide you with the final candidate lets you focus on what you do best, ultimately saving you time and money.
